About American Software, Inc.

Atlanta-based American Software (NASDAQ: AMSWA) provides demand-driven supply chain management and enterprise software solutions, backed by more than 40 years of industry experience, that drive

value for companies regardless of market conditions. Logility, Inc., a wholly-owned subsidiary of American Software, is a leading provider of collaborative solutions to optimize the supply chain. Logility Voyager Solutions™

is a complete supply chain management solution suite that features a performance monitoring architecture and provides supply chain visibility; demand, inventory and replenishment planning; sales and operations planning (S&OP); supply and inventory optimization; manufacturing planning and scheduling; transportation planning and management; and warehouse management. Logility customers include Fender

Musical Instruments, Parker Hannifin, Verizon Wireless, and VF Corporation. Demand Management, Inc., a wholly-owned subsidiary of Logility, delivers supply chain solutions to small and midsize manufacturers, distributors and retailers. Demand Management's Demand Solutions® suite is widely deployed and globally recognized for forecasting, demand planning and point-of-sale analysis. Demand Management serves customers such as Campbell Hausfeld and Lonely Planet. New Generation Computing® (NGC®), a wholly-owned subsidiary of

American Software, is a leading provider of PLM, supply chain management, ERP and product testing software and services for brand owners, retailers and consumer products companies. NGC customers include A|X Armani

Exchange, Aeropostale, Billabong, Carter's, Casual Male, Hugo Boss, Jos. A. Bank, FGL Group, Spanx, Athletica, Marchon Eyewear, and Swatfame.
