American Software Reports Second Quarter of Fiscal Year 2024 Results

Subscription Fee Growth of 8% and Adjusted EBITDA Margin was 16% of revenue from Continuing Operations in Q2

ATLANTA (November 16, 2023) American Software, Inc. (NASDAQ: AMSWA) today reported preliminary financial results for the second quarter of fiscal year 2024. During the quarter we divested our information technology consulting firm, The Proven Method and its results are included in discontinuing operations.

Key Second Quarter Financial Highlights from Continuing Operations:

- Subscription fees were \$13.4 million for the quarter ended October 31, 2023, an 8% increase compared to \$12.3 million for the same period last year.
- Total revenues for the quarter ended October 31, 2023 decreased 6% to \$25.7 million, compared to \$27.3 million for the same period of the prior year, principally due to a decline in services and maintenance fee revenue.
- Recurring revenue streams for Maintenance and Cloud Subscriptions were \$21.5 million or 84% of total revenues in the quarter ended October 31, 2023 compared to \$21.2 million or 78% of total revenues in the same period of the prior year.
- Maintenance revenues for the quarter ended October 31, 2023 decreased 8% to \$8.1 million compared to \$8.8 million for the same period last year.
- Professional services and other revenues for the quarter ended October 31, 2023 decreased 26% to \$4.0 million for the quarter ended October 31, 2023 compared to \$5.4 million for the same period last year. The decline was primarily driven by lower project work and outsourcing of some services to partners.
- Software license revenues were \$0.2 million for the quarter ended October 31, 2023 compared to \$0.7 million in the same period last year.
- Operating earnings for the quarter ended October 31, 2023 were \$1.2 million compared to \$2.6 million for the same period last year.

- GAAP net earnings from continuing operations for the quarter ended October 31, 2023 were \$0.6 million or \$0.02 per fully diluted share compared to \$1.9 million or \$0.06 per fully diluted share for the same period last year.
- Adjusted net earnings from continuing operations for the quarter ended October 31, 2023, which
 excludes non-cash stock-based compensation expense and amortization of acquisition-related
 intangibles, were \$2.9 million or \$0.08 per fully diluted share compared to \$3.2 million or \$0.09
 per fully diluted share for the same period last year.
- EBITDA from continuing operations was \$2.5 million for the quarter ended October 31, 2023 compared to \$3.4 million for the same period last year.
- Adjusted EBITDA from continuing operations was \$4.1 million for the quarter ended October 31, 2023 compared to \$4.7 million for the same period last year. Adjusted EBITDA represents GAAP net earnings adjusted for amortization of intangibles, depreciation, interest (loss)/ income & other, net, income tax expense and non-cash stock-based compensation expense.

Key Fiscal 2024 Year to Date Financial Highlights from Continuing Operations:

- Subscription fees were \$27.1 million for the six months ended October 31, 2023, a 11% increase compared to \$24.4 million for the same period last year, while Software license revenues were \$0.5 million compared to \$1.0 million for the same period last year.
- Total revenues for the six months ended October 31, 2023 decreased 5% to \$51.6 million compared to \$54.1 million for the same period last year.
- Recurring revenue streams for Maintenance and Cloud Services were \$43.4 million and \$42.1 million or 84% and 78% of total revenues for the six-month periods ended October 31, 2023 and 2022, respectively.
- Maintenance revenues for the six months ended October 31, 2023 were \$16.3 million, an 8% decrease compared to \$17.7 million for the same period last year.
- Professional services and other revenues for the six months ended October 31, 2023 decreased 30% to \$7.7 million compared to \$10.9 million for the same period last year. The decline was primarily driven by lower project work and outsourcing of some services to partners.
- For the six months ended October 31, 2023, the Company reported continuing operating earnings of approximately \$2.6 million compared to \$4.9 million for the same period last year.
- GAAP net earnings from continuing operations were approximately \$3.2 million or \$0.09 per fully diluted share for the six months ended October 31, 2023, a 17% decrease compared to \$3.9 million or \$0.11 per fully diluted share for the same period last year.
- Adjusted net earnings from continuing operations for the six months ended October 31, 2023, which exclude stock-based compensation expense and amortization of acquisition-related intangibles, increased 6% to \$6.7 million or \$0.19 per fully diluted share, compared to \$6.3 million or \$0.18 per fully diluted share for the same period last year.
- EBITDA from continuing operations decreased by 29% to \$4.6 million for the six months ended October 31, 2023 compared to \$6.5 million for the same period last year.

 Adjusted EBITDA from continuing operations decreased 15% to \$7.8 million for the six months ended October 31, 2023 compared to \$9.1 million for the six months ended October 31, 2022.
 Adjusted EBITDA represents GAAP net earnings adjusted for amortization of intangibles, depreciation, interest (loss)/income & other, net, income tax expense and non-cash stock-based compensation.

Key Second Quarter of Fiscal Year 2024 highlights:

Clients & Channels

- Notable new and existing customers placing orders with the Company in the second quarter include: Black Rifle Coffee Company, Ferguson Enterprises, LLC, Hostess Brands, LLC., Johnson Brothers Liquor Company, Peet's Coffee, Inc., Premier Farnell UK Limited, Reynolds Consumer Products LLC, Sandvick Mining and Construction Tools AB.
- During the quarter, SaaS subscription and software license agreements were signed with customers located in the following eight countries: Australia, Belgium, Brazil, France, Sweden, the Netherlands, the United Kingdom and the United States.

Company & Technology

- On September 5th, Logility closed the acquisition of Garvis B.V., a visionary SaaS startup that
 combines large language models (ChatGPT) with Al-native demand forecasting. DemandAl+ is
 the only offering available that combines advanced Al-driven demand planning, demand sensing,
 and causal forecasting with generative Al in a single solution elevating the planning capabilities
 across the supply chain. Analysts cite a 20 24% improvement in forecast accuracy for clients
 who adopt DemandAl+.
- In September, the Company announced the divestment of its information technology consulting firm, The Proven Method to Marathon TS, Inc., an IT professional services firm. The sale closed on September 18, 2023.
- During the quarter the Company implemented a stock buyback program and purchased 430,576 shares at an average price of \$11.20 per share.
- InventoryAI+, a powerful new offering optimizing inventory with advanced AI and machine learning to enable clients to lower costs while improving service was released. Building on existing capabilities, Inventory AI+ empowers planners to resolve issues in real-time and achieve higher levels of supply chain performance.
- In September, two Logility clients, Rebecca Springett of Croda and Rita Fisher of Reynolds, were recognized as winners in Supply & Demand Chain Executive's 2023 Women in Supply Chain.

This award honors female supply chain leaders whose accomplishments, mentorship, and examples set a foundation for women in all levels of a company's supply chain network.

- Logility's planning solutions and clients were recognized in the following publications::
 - Sourcing Innovation "Logility "Starboard": The Real-Time What-If Supply Chain Network modeler that Every Sourcing Professional Should Have"
 - o Total Retail: "How Network Optimization Creates Dynamic CPG Supply Chains"
 - SupplyChainBrain: "Applying AI to Supply Chain Network Design"

The overall financial condition of the Company remains strong, with cash and investments of approximately \$83.9 million. During the second quarter of fiscal year 2024, the Company paid shareholder dividends of approximately \$3.8 million.

"Our company transformation continued in the second quarter with several key events such as the acquisition of Al-native demand forecasting pioneer Garvis, the divestitures of two non-core businesses, information technology consulting firm, The Proven Method and Transportation Rating Solutions and implemented a stock buyback program," said Allan Dow, CEO and President of American Software. "Supply chain planning is entering a significant transformation with advancements in technology, generational shifts of the workforce, and the significant speed of market charges and disruptions. We have positioned the company to concentrate on delivering modern, breakthrough technology to the supply chain industry. Our guidance for fiscal 2024 has been updated to reflect these transactions."

Fiscal Year 2024 Financial Outlook from Continuing Operations:

- Total revenues of \$100.0 million to \$104.0 million, including total recurring revenues of \$85.0 million to \$88.0 million.
- Adjusted EBITDA of \$14.5 million to \$16.0 million.

About American Software, Inc.

Atlanta-based American Software, Inc. (NASDAQ: AMSWA), through its operating entity Logility delivers an innovative Al-powered platform that enables enterprises to accelerate their digital supply chain transformation from product concept to client availability via the Logility® Digital Supply Chain Platform, a single platform spanning Product, Demand, Inventory, Supply, Sourcing, Deploy, Corporate Responsibility Environment, Social and Governance (ESG) and Network Optimization aligned with Integrated Business Planning.

Serving clients such as Big Lots, Bunzl Australasia, Carter's, Destination XL, Glen Raven, Hostess, Husqvarna Group, Jockey International, Johnson Controls, Parker Hannifin, Red Wing Shoe Company, Spanx and Taylor Farms; our solutions are marketed and sold through a direct sales team as well as an indirect global value-added reseller ("VAR") distribution network.

Fueled by supply chain master data, allowing for the automation of critical business processes through the application of artificial intelligence and machine learning algorithms to a variety of internal and external data streams, the comprehensive Logility portfolio delivered in the cloud includes advanced analytics, supply chain visibility, demand, inventory and replenishment planning, Sales and Operations Planning (S&OP), Integrated Business Planning (IBP), supply and inventory optimization, manufacturing planning and scheduling, network design and optimization (NDO), retail merchandise and assortment planning and allocation, product lifecycle management (PLM), sourcing management, vendor quality and compliance, and product traceability. For more information about Logility, please visit www.logility.com. Logility is a wholly-owned subsidiary and operating entity for American Software, Inc.. You can learn more about American Software at www.amsoftware.com, or by calling (404) 364-7615 or emailing kliu@amsoftware.com.

Operating and Non-GAAP Financial Measures

American Software, Inc. ("the Company") includes non-GAAP financial measures (EBITDA, adjusted EBITDA, adjusted net earnings and adjusted net earnings per share) in the summary financial information provided with this press release as supplemental information relating to its operating results. This financial information is not in accordance with, or an alternative for, GAAP-compliant financial information and may be different from the operating or non-GAAP financial information used by other companies. The Company believes that this presentation of EBITDA, adjusted EBITDA, adjusted net earnings and adjusted net earnings per share provides useful information to investors regarding certain additional financial and business trends relating to its financial condition and results of operations. EBITDA represents GAAP net earnings adjusted for amortization of intangibles, depreciation, interest (loss)/income & other, net, and income tax expense. Adjusted EBITDA represents GAAP net earnings adjusted for amortization of intangibles, depreciation, interest (loss)/income & other, net, income tax expense and non-cash stock-based compensation expense.

Forward Looking Statements

This press release contains forward-looking statements that are subject to substantial risks and uncertainties. There are a number of factors that could cause actual results or performance to differ materially from what is anticipated by statements made herein. These factors include, but are not limited to, continuing U.S. and global economic uncertainty and the timing and degree of business recovery; the irregular pattern of the Company's revenues; dependence on particular market segments or customers; competitive pressures; market acceptance of the Company's products and services; technological complexity; undetected software errors; potential product liability or warranty claims; risks associated with new product development; the challenges and risks associated with integration of acquired product lines, companies and services; uncertainty about the viability and effectiveness of strategic alliances; the Company's ability to satisfy in a timely manner all Securities and Exchange Commission (SEC) required filings and the requirements of Section 404 of the Sarbanes-Oxley Act of 2002 and the rules and regulations adopted under that Section; as well as a number of other risk factors that could affect the Company's future performance. For further information about risks the Company could experience as well as other information, please refer to the Company's current Form 10-K and other reports and documents subsequently filed with the SEC. For more information, contact: Kevin Liu, American Software, Inc., (626) 657-0013 or email kliu@amsoftware.com.
