About American Software, Inc.

Atlanta-based American Software, Inc. (NASDAQ: AMSWA), through its operating entity Logility, delivers prescriptive demand, inventory, manufacturing, and supply planning tools – helping to provide executives the confidence and control to increase margins and service levels, while delivering sustainable supply chains.

Serving clients such as Big Lots, Carter's, Destination XL, Hostess, Husqvarna Group, Jockey International, Johnson Controls, Parker Hannifin, Red Wing Shoe Company, Spanx, Dole Fresh Vegetables, Inc., and Fender Musical Instrument Co, our solutions are marketed and sold through a direct sales team as well as an independent global value-added reseller distribution network.

Logility is the only supply chain planning platform leveraging Generative AI, advanced AI-driven algorithms, and machine learning. Our engineered approach drives team alignment for over 800 customers in 80 countries with prioritized, value-focused outcomes. For more information about Logility, please visit www.logility.com. Logility is a wholly-owned subsidiary and operating entity of American Software, Inc. (NASDAQ: AMSWA).
